DATE: February 21, 2008

The Honorable President and Members
of the Baltimore City Council
c/o Karen Randle
Room 400 City Hall

I am herein reporting on City Council Bill No. 07-0001.

Franchise – Cavalier IP TV, LLC

FOR the purpose of granting a franchise to Cavalier IP TV, LLC, to construct, operate, and maintain a cable communications system in and across certain streets and public ways, subject to certain terms, conditions, and reservations; and providing for a special effective date.

A franchise agreement similar to the current bill under consideration was proposed during the last of the last term of the City Council. Although the bill was not approved, during the period of its consideration adjustments were made to assure that the City's construction oversight functions were included in the body. We are satisfied that the current bill outlines those functions and rights under SECTION 3.CONSTRUCTION STANDARDS.

The Department of Transportation has no objection to the passage of this bill.

Respectfully,

ALFRED H. FOXX
DIRECTOR
